Base										

Please answer the following:

If you have purchased a kit do you require it assembling? *Note: Assembling does not include painting*

Is parking available on or outside the site? If not, please indicate distance. *PPR = parking permit required*

Are any of the openings above ground floor level? If so, which units?

Do you require any extra preparation works to openings? *i.e. Rip out / removal. We will contact you about this.*

If you are having a flush track system, do you require information about preparing your base for this?

Do you require an on site meeting or survey

Other information:

Thank you for your enquiry, please fax of post this form to the above.

If you have any queries please do not hesitate to contact us
